

DON'T SEND THOSE KITCHEN CABINETS TO THE LANDFILL!

CONTACT LOWCOUNTRY HABITAT FOR HUMANITY'S DECONSTRUCTION TEAM.

WHAT

Our Deconstruction Service offers affordable de-installation and removal of your salvageable building materials.

WHO

Individuals, businesses, contractors and developers embarking on remodeling or demolition projects.

HOW

Experienced Habitat staff and volunteers extract useable building materials and supplies in a timely manner and in conjunction with your project schedule. The items are brought to the Habitat for Humanity ReStore for resale to the general public.

SALVAGEABLE ITEMS MAY INCLUDE:

- Appliances
- Building supplies
- Cabinets and countertops
- Doors and windows
- Electrical fixtures and supplies
- Hardware
- Heating and cooling supplies
- Landscaping supplies
- Plumbing fixtures and supplies
- Scrap metal
- And More!

CONTACT US

Please contact the Deconstruction Team to discuss your project and see if Habitat can help. We welcome large and small projects.

BEFORE

AFTER

"The crew from Habitat Deconstruction was so professional and so neat when they tore out my old kitchen cabinets, sinks, appliances and moldings. They were mindful to protect my wood floors."
